

# The Tea Stand

Chapter with supplies and information for setting up a Tea Tavern Table.

- [Traveling Tavern Supplies Checklist](#)
- [Table Signage](#)

# Traveling Tavern Supplies Checklist

The following are supplies that one should have when hosting a Traveling Tea Tavern tea table.

- Tea Preparation Table
- tea cups
- serving cups
- gaiwans
- pot
- water
- kettle and cleaner
- kettle piping
- tea towel
- water remineralizers
- tea
- tea for sale
- tongs
- pet filter
- weight scale
- extension cord
- social media signage
- "about our tea" signage
- payment supplies

# Table Signage

See attachment files for current printing document version.

## Social Media Sign

This should have Tea Tavern Instagram codes on them, the tea-tavern.com website, and name of the business on it.

If there is room for more social medias, they can be added, as well.

Currently, these can be found in Nextcloud, under marketing/tea-tavern-stand-displays

## Tea Selection and Prices Sign

A chart of the current teas that we sell, and their prices/quantity.

## Ecological Implementation Sign

A sign that tells our guests what the business' ecological efforts are, and links to this wiki for greater details.

Including:

- Naturalness/organicness/etc of tea products
- compostability and recyclability of products
- Process for selecting products
- Idea behind above: If we want to sustain the business, we need to product, businesses, and people that we work with who make the products to sustain, as well.
