How goals are aligned?

West China Tea's owner is the the TeaHouseGhost (So-Han Fan). Having gone to China themselves, West China Tea sources teas directly from farmers who care about organic, healthful farming of tea. They provide some of the most in-depth and informational educational content as a course and for free. They built a vibrant community of tea drinkers at their establishment in Austin, Texas, converting people who may have previously avoided tea into people who seek out quality tea.

They supply the Tea Tavern with teas such as Moonlight White tea bings, Ancient Black Rain tea coins, and Black Phoenix.
